Tickle your tastebuds with a cheese-tasting experience hosted by Britain's leading cheese writer and World Cheese Awards judge, Patrick McGuigan. In this foodie session you'll get your teeth into some tasty cheese treats, feasting on flavours you've never tried before, while learning about how they're produced. Try cheeses from different Eurostar destination cities and countries, including new wave and classic cheeses, or team them up with drinks to create a Eurostar destination-based taste test.

TAKE A HISTORY OF ART ADVENTURE

Host: Euan MacDonald

Delve into the history of French, Dutch, British and Belgian art with this colourful experience, hosted by art historian Euan MacDonald. You'll find out more about the history of your destination city as you learn about its art. This is no art lecture – it's a break-neck cultural tour of the city: fun, fast, and fascinating. Use your newfound knowledge to take a new look at key artworks (and artists) from your destination cities including the Tate Modern, the Pompidou and the Rijksmuseum.

LEARN THE SECRETS OF A WINE LIST

Host: Henry Butler / Tom Surgey / Jane Parkinson / Joe Wadsack

More than a wine-tasting experience - rather than just improving your knowledge of wine, it will teach you how to look at a restaurant wine list, instantly find the pearls and wow your dining companions. Not only will you learn how to cherrypick the right wine for your meal, you'll find out more about some of the hottest restaurants in your destination city and their signature dishes, so you can pair your wines with confidence when you're there.

CHIN CHIN, LEARN ABOUT GIN

Host: Helen Chesshire / Jane Parkinson / Dawn Davies

The UK is mad about gin right now, with specialist gins served everywhere from ritzy cocktail bars to traditional pubs. The number of distillers has more than doubled in the last two years and there's never been a bigger range of gins to try out. On our gin experience you'll taste a range of rare and exclusive blends, as well as learn about how gin is made, its origins, what tonics to serve with which gin, and the role of those all-important botanicals.

TEST YOUR TASTEBUDS

Host: Jilly Sitch / Patrick MacGuigan

You'll savour some of Britain's finest flavours on this foodie experience, hosted by food and wine experts. You'll learn about tasty products that have won prestigious Great Taste stars, including meats, cheeses, ciders and chocolates, presented in hampers provided by the Guild of Fine Food. Test your palate when you assess these tasty samples – then compare your tasting notes and star ratings with those awarded by the judging panel.

GET READY FOR THE RUGBY

Host: Nigel Barden

On your way to an international rugby match? Get the inside track on rugby en route with BBC radio's Nigel Barden. He'll interview a surprise special guest, quizzing them about their predictions for the tournament, your favourite team's prospects and more, before you get to put your questions to them.

FASHION AND BEAUTY ON THE MOVE

Host: Sali Hughes / Holly Bigsby / Kerry Potter

Leading style journalists will share their beauty secrets and give you tips on how to stay ahead of trends and always look fabulous. You'll get to try out new and iconic beauty products as our hosts serve up top notch make-up advice. They'll draw on their expertise as beauty columnists for publications like *Vogue*, *Red* and the *Guardian Weekend* magazine.

WHISKIES OF THE WORLD

Host: Dave Broom

Discover the wonderful world of whisky. Our award-winning host, Dave Broom, has written over a dozen books on the subject. Using his World Atlas of Whisky, he will take delegates on a whistle-stop tour of labels from across the globe. He'll also debunk the myth that whisky shouldn't be mixed, and passengers will have a chance to find their perfect companion for this most versatile of drinks. In our opinion, this experience works particularly well for groups of up to 25 people.
